Remarks

Welcome to the highly sought-after Country Club Village of Northville, where resort-style amenities meet the ease of maintenance-free living. This rare, detached ranch floorplan offers three bedrooms, three full bathrooms, first-floor laundry, and a two-car attached garage-combining the comfort and privacy of a single-family home with the convenience of condo living. Step inside to an inviting layout highlighted by a spacious living room with a gas fireplace and easy access to a private deck, perfect for morning coffee or relaxing evenings overlooking the peaceful surroundings. The generous primary suite and well-appointed living spaces make everyday living effortless, while newer appliances and major mechanical updates-including a furnace and central air conditioner replaced in 2022-provide added peace of mind. The finished lower level offers exceptional flexibility with a private flex room ideal for guests, a home office, music room, or hobby space, along with a spacious recreation room ready for movie nights, game days, or gatherings with family and friends. An abundance of dedicated storage keeps seasonal decor, keepsakes, and household essentials neatly organized and out of sight. Life in Country Club Village is about more than just the home.
